SUMMER PLACEMENT REPORT

Batch of 2021-23

IIM Jammu is ecstatic to announce the completion of Summer Placements for the Batch of 2021-23 – the 6th batch of its MBA program. From the very beginning, IIM Jammu has set high standards for outstanding value-based quality education, high-quality research, executive education, consultancy as well as strong corporate as well as international linkages. Despite the increase in batch size from the previous year, we are pleased to announce that this year's summer placements have been a huge success.

The batch of 240 students witnessed over 127 companies participating in campus recruitments for summer internships. With over 48 first-time recruiters offering roles in domains like Product Management, Marketing Analytics, Consulting, Investment Banking, Finance & General Management. Despite the stringent restrictions via COVID and the difficulties posed by it, IIM Jammu was able to adapt to the new normal and was able to wrap up the whole process online. Companies that visited for recruitment include some prominent names such as : McKinsey & Company, Uber, Malabar Group, Juspay, Microsoft, Bosch, ICICI Bank, Yes Securities, Yokohama, Vedanta, CRISIL, Cognizant, HP, Amul, Adani, BenQ amongst others.
